Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative proposed amendments that would limit claim 1 to "consisting of" which are deemed to overcome the outstanding 103 and ODP rejections. With respect to claim 14, as proposed to be amended, further search and consideration would be necessary in order to determine allowability. The IDS filed in 05/07 appears not to have been considered and therefore will be considered in the next office action. Applicant's representative is not required to provide a follow up summary for this interview summary..
